APPLICATIONS

The T 5 p is a headphone that meets the needs of sophisticated mobile hi-fi fans. The Tesla technology newly developed by beyerdynamic ensures a detailed sound experience, even with low-power, portable devices. The T 5 p perfectly shields ambient noise with its closed design. Soft, circumaural ear pads and the padded headband provide high comfort.

The supplied extension cable also allows connecting the T 5 p to a hi-fi stereo system at home to enjoy the impressive sound here as well.
